# Dorchester & South Dorset LETS Directory Entries

Please use the space below to list the goods/services you are OFFERING and the goods/services you WANT from LETS. Please keep your entries short to make it easier to compile the Directory.

The **Inspiration List** should help you with your 'offers' and your 'wants' and will hopefully inspire existing members, so it is equally important. Dorchester & South Dorset LETS currency is called the 'Mart' and is loosely equal in value to £1 Sterling. You may prefer to keep your prices negotiable - if so, put 'Neg' under the price columns. If you choose to charge the Standard Rate, 5 Marts per hour, indicate 'Std'.

If you are offering a 'Professional' service, (i.e., you have been trained and have qualifications and experience), please indicate 'P' under the Quality column and state any qualifications and affiliations. For businesses or the self-employed with tax & VAT liabilities 50% Marts + 50% Sterling can apply. Please note that no responsibility will be taken by Dorchester & South Dorset LETS for any misrepresentation.

**Please write clearly. Continue on an extra sheet if necessary.**

**Existing Members Renewing:** Please only complete if anything needs removing or adding to your services offered, and/or wanted.
